

## Coastal Trip Behavior Contract

I hope you are all as excited as I am about our trip together. There are always a few important rules we need to make sure we understand and agree upon before we depart.

**Respect** - Respect the adult chaperones, fellow students, and those who serve us on our trip. We need to be courteous in our interactions with other people.

**Safety** – Make Good Decisions at all times. If we do something foolish & unsafe, we may be sent home or ruin someone else’s opportunity to have a good time. Be fair, be safe.

**Responsibility** – You are responsible for being on time, and having everything you need with you. Everywhere we go, we are on a timeline. If you forget something, don’t know where you are supposed to be, or are careless when it comes to following the schedule, it ruins the fun of the whole group and they have to wait for you.

**Obviously** – No weapons, firecrackers, drugs, alcohol, tobacco, or anything else illegal for a kid to possess. If you violate this level of trust, you will be sent home at your parent’s expense.

**Basement Statements** – These are put-downs, complaints or derogatory statements about anyone or anything. We aren’t going on a trip to be mean-spirited or critical, but to have fun and grow from new experiences.

If any of these areas of trust are violated, you will not be allowed to participate in the fun activities and may be sent home. These rules are set up for your protection and the right of those around you to have a safe environment.

**I understand and agree to the terms of the behavior contract for the Coastal Trip from April 16<sup>th</sup> -18<sup>th</sup>. I agree to follow all directions and treat students and adults with the utmost respect.**
