

Welcome to our Solo & Ensemble Recital Night, Tonight is a celebration of our students' independent musical accomplishments with an evening of student-prepared music. Several students will be using tonight as a launching pad for the OMEA District 14 Solo & Ensemble Festival this Saturday at West Linn High School.

The length of each performance is different; some students have 3-minute performances and others go as long as 7-8 minutes. A good piece of advice would be to check in with your performance area early to see where they are at on the schedule. There will be performance orders and numbers posted outside each room indicating which musician(s) is/are currently performing.

Please do not think of this as a traditional concert. Think of this as a musical art gallery. You are allowed to listen & sample from room to room and come and go at an appropriate time that works for your schedule. Please enter and exit performing spaces only during transitions. It will still be a formal performance setting but based more along the lines of a true Solo & Ensemble Festival.

Listen, Enjoy, and Applaud our Student Musicians for their Efforts!
