Dear Community Partner,

The effort to help students become well rounded adults never ends. State funding is consistently stretched thin and securing funds for music and art classes remains a challenge. Our rapidly increasing student population and their academic needs require more resources every year.

Music and art education may not receive priority funding, but that doesn't decrease their importance for our students and the greater community. Committed groups of parents, booster clubs and businesses help fill some of the gaps in funding while also providing volunteers to help with a lengthy list of tasks and projects.

Sherwood Band Boosters support all high school and middle school bands in Sherwood. The Marching Band halftime performances at football games, along with the infectious enthusiasm of the student musicians playing in the stands, may be what come to mind when you think of Sherwood Bands. Or perhaps it's some of the other contributions they make in the community: Parades, community events and holiday celebrations all benefit from the music, enthusiasm, efforts and commitment of our bands and volunteers.

But the Sherwood Bands are much more than that. Our students participate and compete in many different groups: Wind Ensemble, Concert Band, Bowman Band, Jazz Band, Winter Percussion, Middle School Band and Percussion Ensembles, and Colorguard. Our groups are competitive and award winning at the district, state and regional levels. Sherwood Band Boosters are right there with all of them, assisting in whatever way is required.

Business sponsorship contributions go directly to the Sherwood Band Boosters General Fund which provides essential support to all of these band programs. The fund supports the mission of the band by underwriting Summer Band Camps, supporting instructors, equipment, instruments, props & flags, maintenance, travel & registration expenses for competitions, leadership scholarships and much more…

Business sponsors help to ensure our award winning band programs continue to provide positive, quality learning experiences for all band students in Sherwood. As a sponsor, you have a high visibility affiliation opportunity. Your business receives excellent exposure in Sherwood, throughout the Metro area and around the state as we travel to sporting events and competitions.

The Sherwood Bands Sponsorship Program offers several opportunities for participation. We respectfully ask you to review and consider the attached brochure. It provides details on various ways to sponsor and support the arts in our community. Your business will directly benefit all of these band programs and their high profile, positive impact on the community.

To sponsor our program, *please send this form along with your donation or check payable to:*
