

GIRLS CONCERT ATTIRE INFORMATION

Girls in **Bowman Band, Concert Band** and **Wind Ensemble** wear this style of floor length, machine washable, wrinkle resistant (bordering on unwrinkable), knit dress for all performances.

The cost of the dress is \$72 which includes the shipping charge. You may order the dress via the Charms Online store, or place your check for \$72 (written out to Sherwood Band Boosters) in the cashier box outside of Mr. Stai's office with this order form attached.

One concert dress in each size will be available for your student to try on in order to determine her appropriate size. A fitting opportunity will be provided during marching band uniform fittings and during band class.

Dresses come with a raw edge on the bottom and will require alterations. One suggestion for a local alterations provider is as follows:

Sherwood Tailoring – 503-625-9220
285 NW 1st St Sherwood, OR 97140

The first band concert is usually in early to mid December. To allow for shipping and alteration time, please **submit your order by October 1**.

It is recommended that a slip, panty hose, or spunks be worn under the dress. Black shoes of your choosing are also needed. The majority of girls choose to wear black flats. Minimal jewelry is best.

Women in Jazz I and Jazz II decide on their apparel as a group. In past years Jazz I girls have worn a matching top with black dress pants. Jazz II has chosen a simple black bottom and top or simple black cotton dress.
