After you perform

Retrieving your music

We are not able to mail forgotten or lost music back to schools. Please remember to stay at your performance area long enough after you have finished to retrieve your music from the Room Chair. This could take 10-20 minutes after you have finished.

Comment Sheets

Comment sheets will be made available as soon as practical after each performance. They may be picked up any time except during the award ceremony.

Comment sheets not picked up will be emailed to school directors.
