

Build your music theory skills to become a stronger musician!

Music theory classes for ages 14+

- Classes run from October-May
- Classes start Oct. 15

Would you like to:

- understand how music works?
- learn to sing music on sight?
- analyze the chords in a song?
- learn how to write music?
- prepare for exams such as AP Music Theory, Certificate of Merit, or college entrance exams for music majors?
- become a better singer or instrumentalist by understanding music from the inside out?

Classes at multiple levels, including:

- Music Theory/Musicianship Skills
- Advanced Music Theory/Musicianship Skills
- Music Theory and Improv for Band Students and Instrumentalists

Classes meet Thursday afternoons at the Marjorie Stewart Senior Center in Sherwood.
