

Jazz I Auditions 2023

What is Jazz I Band?

- Jazz I is composed of a select group of advanced students that perform a wide variety of jazz literature. The jazz style and improvisational techniques are explored, developed and refined. The Jazz Ensemble performs at regional festivals and competitions in the winter and spring. In addition to performing standards, the jazz ensemble is always experimenting with newly composed jazz material from internationally known artists.
- Jazz I will meet every morning from 7:30am-8:20am and is a graded class.
- Jazz I auditions are for enthusiastic musicians who are committed to preparing their parts and showing up on time and ready to play every rehearsal and every gig!
